

## **Contribution of District university state national level initiatives in organization:**

I have been working as a programme officer since 2006 on words. I worked as an area coordinator for four years in between the period of June 2014 to Dec. 2018.

I have worked as a selection committee member for Pre RD and SRD selection. I have helped in organization of dist. Level workshops to programme coordinator continuously. I has delivered lectures in Leadership camp and theme-based workshops. In the COVID-19 period I have organized taluka level organ donation camp. Distribution of masks to needy people in association with NSS cells. I have organized district level scrutiny in my college in the year 2019-20.
